

# Arctic Star 80" Wall Quilt Mixer

**80" by 80"**

**TP 168** was printed with only 2 Unit B2 & B3 Accent TLS Sheets. This pattern calls for 3 Unit B2 & B3 Accent TLS Sheets. We have fixed this error but any newsprint distributed before 3/12/25 will need this correction. The graphic below has been created to scale (double check against your newsprint and make sure you **do not** have "scale to fit" marked as a printing option) and can be printed and used as your third Unit B2 & B3 Accent TLS.
