

► **Color Layout**

**NOTE - Backside Graphic:** The color layout shown matches the printed side of the paper, which is the backside of the quilt. (However, this border is symmetrical, so fabrics will be the same when viewed from the front of the quilt.)

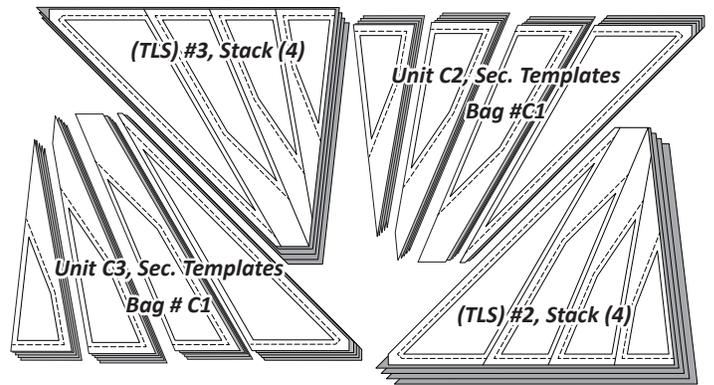

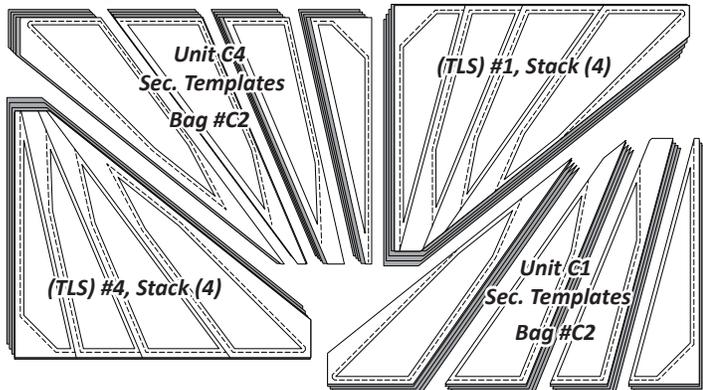

**Step 2:** Stack the 22-1/2" strips facing *right-side-up*. Align **Unit C4 (TLS) #4** along the bottom left corner and cut (2) pieces matching the size of the (TLS). Rotate the template as shown and cut (2) additional pieces. Align **Unit C1 (TLS) #1** along the top left corner of the remaining fabric, cut (2) pieces, then rotate the template and reposition along the bottom right corner and cut the remaining (2) pieces. You should have a total of (4) pieces per (TLS).

reposition along the bottom right corner and cut the remaining (2) pieces. You should have a total of (4) pieces per (TLS).

**Step 3:** Stack (4) fabric pieces *right-side-up* beneath each (TLS). Complete the cutting by slicing through the paper and fabric on each *Cut Line* in numerical order to separate the individual pieces. Clip the templates to the fabric beneath and place in **Bag #C2** with their assigned Unit papers C1 & C4.

**Step 5:** Stack (4) fabric pieces *right-side-up* beneath each (TLS). Complete the cutting by slicing through the paper and fabric on each *Cut Line* in numerical order to separate the individual pieces. Clip the templates to the fabric beneath and place in **Bag #C1** with their assigned Unit papers C2 & C3.

**Step 4:** Stack the 14-1/2" strips facing *right-side-up*. Align **Unit C3 (TLS) #3** along the bottom left corner and cut (2) pieces matching the size of the (TLS). Rotate the template as shown and cut (2) additional pieces. Align **Unit C2 (TLS) #2** along the top left corner of the remaining fabric, cut (2) pieces, then rotate the template and

► **Fabrics C2 & C3: (TLS) #5 & #6**

**Step 1:** Cut (2) 2-1/4" by 42" strips *each* from *Fabrics C2 & C3*. Stack the (4) strips facing *right-side-up* with Fabric C3 on the bottom and Fabric C2 on the top.

**Step 2:** Position **Unit C1 & C3 (TLS) #5** along the left edge of the strips and **Unit C2 & C4 (TLS) #6** along the right edge. Cut (4) pieces from each color matching the length of each layout sheet.
