

PAPER PIECING: UNITS S1 & S2, BAG #AC4

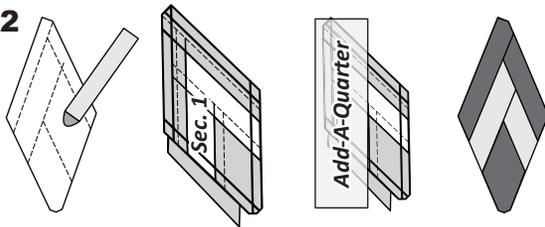

Step 1: Position the first piece of fabric for Sec. 1 *wrong-side-up* on your table. Lift the foundation paper, slide the fabric under Sec. 1 and glue the fabric to the backside of the paper.

Step 2: Line the fold template up with Sec. 1. Fold back the paper and trim the fabric with your rotary cutter. Continue adding the fabrics needed to complete the piecing. When the sewing is completed the excess fabric and paper is trimmed. The foundation units are placed back into Bag #AC4. The papers are not removed until you are ready to assemble the blocks.

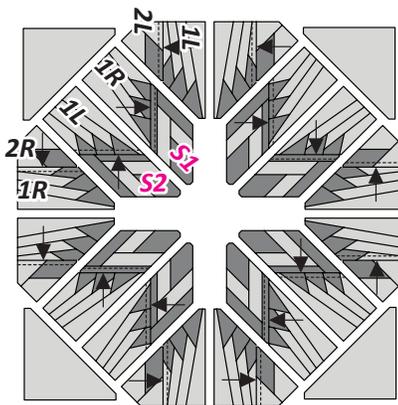

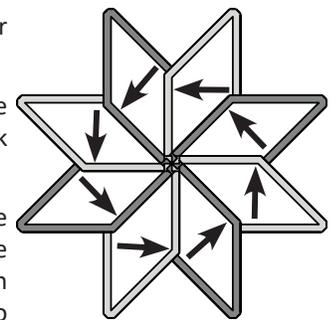

Illustration 3: The four unit groups are joined to complete four corner groups.

Illustration 4: The corner triangles are sewn onto the center wedges. The seams are pressed towards the triangles.

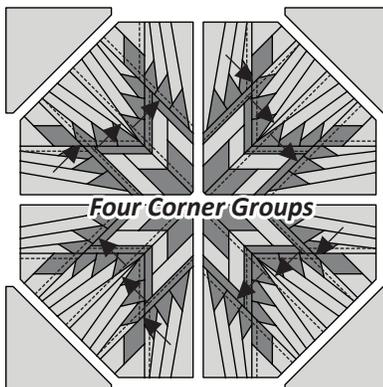

Illustration 5: The corner pieces are joined to complete the block. The seams are pressed counter clockwise on the back which appear clockwise on the front.

Pressing: When the blocks are completed, pick back the stitches at the intersection in the center of the star, twist the seams in opposing directions, and complete the pressing on each block (final size is 16-1/2" x 16-1/2" and they will finish to 16" when quilt top is complete).
