

► Fabric D4: (TLS) #7–#10 & Temps D2R/D2L

NOTE - Quiltster App: If you precut your strips according to Quiltster, you will need to *subcut each 14" strip into (2) 7"-wide strips* to total the number of strips in Step 1.

Step 1: Cut (8) 7" by 42" strips from *Fabric D4*. Stack the strips *right-side-up* into (2) stacks with (4) strips each.

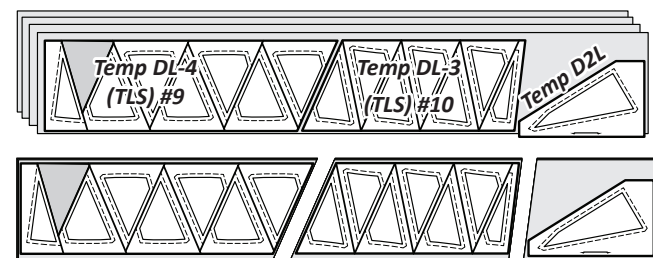

Step 2: Position *Units D10R thru D15R, Template DR-4 Layout Sheet #7; Units D3R thru D9R, Template DR-3 Layout Sheet #8; and Unit D2R, Template D2R-1* onto the first group of strips as shown below. Cut (4) pieces matching the size and shape of each (TLS).

Step 3: Stack the pieces beneath each (TLS) and clip each section onto the fabric. Complete the cutting by slicing on each *Cut Line* in numerical order to separate the individual pieces. Keep the template pieces for each layout sheet together into its own group. Pair the template pieces up with the Foundation papers in **Bag #D4**.

Step 4: Position *Units D10L thru D15L, Template DL-4 Layout Sheet #9; Units D3L thru D9L, Template DL-3 Layout Sheet #10; and Unit D2L, Template D2L-1* onto the second group of strips as shown. Cut (4) pieces, matching the size and shape of each (TLS).

Step 5: Stack the pieces beneath the (TLS) and clip each section onto the fabric. Complete the cutting by slicing on each *Cut Line* in numerical order to separate the individual pieces. Keep the template pieces for each layout sheet together into its own group. Place these pieces into **Bag #D3**.

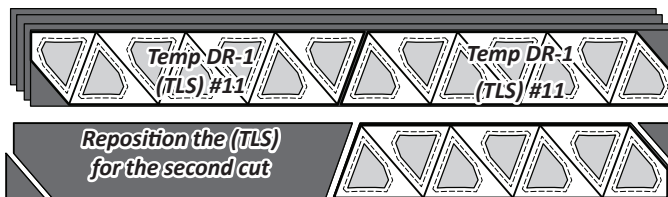

► Fabric D5: (TLS) #11 & #12

NOTE - Quiltster App: If you precut your strips according to Quiltster, you will need to *subcut each 10" strip into (2) 5"-wide strips* to total the number of strips in Step 1.

Step 1: Cut (8) 5" by 42" strips from *Fabric D5*. Stack the strips *right-side-up* into (2) stacks with (4) strips each.

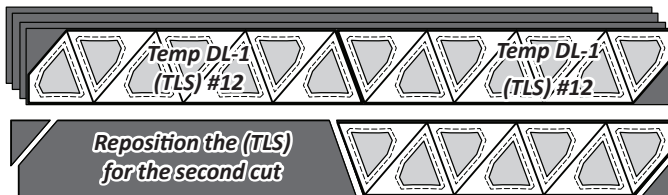

Step 2: Place *Unit D3R thru D15R, Template DR-1 Layout Sheet #11* onto the first group of strips as shown. Cut (8) pieces matching the size and shape of the (TLS).

Step 3: Stack the (8) pieces beneath the (TLS) and clip each section onto the fabric. Complete the cutting by slicing on each *Cut Line* in numerical order to separate the individual pieces. Place these pieces into **Bag #D4**.

Step 4: Place *Unit D3L thru D15L, Template DL-1 Layout Sheet #12* onto the second group of strips as shown. Cut (8) pieces matching the size and shape of each (TLS).

Step 5: Stack the (8) pieces beneath the (TLS) and clip each section onto the fabric. Complete the cutting by slicing on each *Cut Line* in numerical order to separate the individual pieces. Place these pieces into **Bag #D3**.

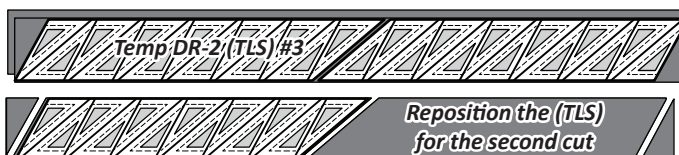

► Fabric D6: (TLS) #3, #4, #5 & #6

NOTE - Quiltster App: If you precut your strips according to Quiltster, you will need to *subcut the 19" strip into (4) 4"-wide strips and (1) 3"-wide strip* to total the number of strips in Step 1.

Step 1: Cut (4) 4" x 42" strips and (1) 3" x 42" strip from *Fabric D6*. Stack the 4" strips *right-side-up* into (2) stacks with (2) strips each. Set the 3" strip aside for Step 6.

Step 2: Position *Units D3R thru D15R, Template DR-2 Layout Sheet #3* onto the first group of strips as shown. Cut (4) pieces matching the size and shape of the (TLS).

Step 3: Stack the pieces beneath the (TLS) and clip each section onto the fabric. Complete the cutting by slicing on each *Cut Line* in numerical order to separate the individual pieces. Place these pieces into **Bag #D4**.
