Quiltworx.com has loaded a layout for **PopStar** into Quiltster. This layout can be colored with your own Fabric Swatches to preview your quilt before you make it! Use Quiltster to mix and match these blocks with others to create your own unique design! To get Quiltster, visit Quiltster.com!

NOTE - *: If you have used Quiltster, your S1 and S2 fabrics have an AP in front of them. We've dropped the AP in the pattern for readability.

NOTE - **: This cover quilt uses (2) alternating colors for S1, hence the :a and :b. One 3" strip makes (2) blocks. So, if you use a different color in each block, you will need to have (1) 3" strip per block, which will increase your overall yardage. Likewise, the cover quilt uses a different color of fabric for S2 and AP1 in each block. One 3" strip of S2 can make (2) blocks and One 5" strip of AP1 can make 2 blocks. If you choose to rethink the fabric and make at least (2) blocks using the same S2 and AP1 fabric, you can reduce your overall yardage. See Page 10 for more details.
