Quiltworx.com has collaborated with a new company called Quiltster to bring you a fabric auditioning mobile application for our designs. A pattern and layout with templates for both the Mixed and Rainbow colorways (see Page 16 for Colorway Option details) is loaded for the **Wedding Star** so that it can be colored with your own fabric swatches to preview your quilt before you make it. We recommend that you watch the Wedding Star Quiltster Coloring Tutorial before you begin for tips and tricks! A Quiltster.com subscription is required to use this tool.
