

4th of July

The front page of this kitting sheet should be used to cut the fabrics for all booklets at once. However, this pattern is written in individual booklets, and it may be incredibly helpful to kit your patterns based on booklet. Booklet kitting is included on the following pages. We recommend cutting your fabrics by booklet in the inch strips recommended instead of full yardage. (5" strips, instead of 1/4 yard strips, for example). If you cut to the rounded up yardage, your kit could include up to 4 yards additional fabric that is not necessary for the project. It is up to you as the customer or shop owner, however, how to cut the kits for this pattern.
