

Note - Using Quiltster: If you precut your fabric strips using the Quiltster App, sub-cut the **84-1/2"** strip into **(4)** 17" strips, **(3)** 5-1/2" strips to achieve the number of strips listed in Step 1.

Step 1: Cut **(4)** 17" x 42" strips and **(3)** 5-1/2" x 42" strips from Fabric B4. Stack the **17"** strips **right-side up** into **(2)** stacks of **(2)** strips and place TLS #3, #4, #9, and #10 onto the strips as shown. Refer to Step 5 in the first column on Page 5 for the instructions for how to cut the **(3)** 5-1/2" strips using T-TLS #11 and #12.

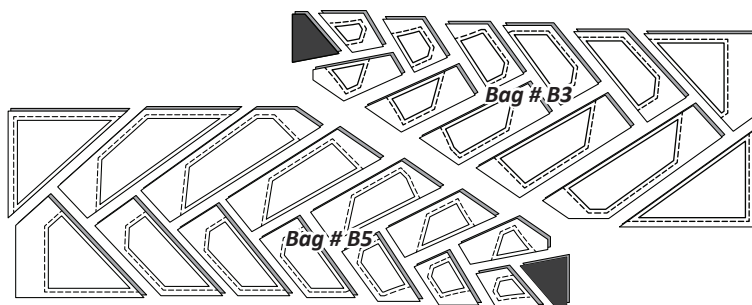

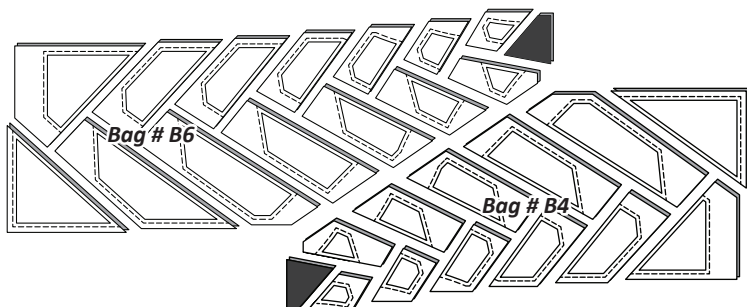

Step 2: Cut **(2)** pieces to the size and shape of each template, then cut the pieces apart on the cut lines to separate the individual sections.

Step 3: Clip the templates to the fabric beneath. Then place the individual Sec Temps with the Foundation Units assigned to each Bag.

- Bag #B3: Temps B3-1 to B3-12 with Unit B3.
- Bag #B4: Temp B4-1 to B4-12 with Unit B4.
- Bag #B5: Temps B5-1 to B5-14 with Unit B5.
- Bag #B6: Temps B6-1 to B6-14 with Unit B6.

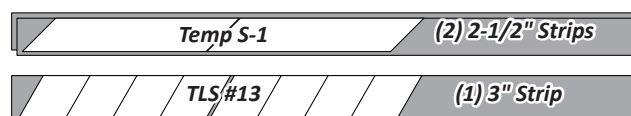

► Fabric B5 Cutting Information

Templates Used: Temp S-1 and TLS #13

Note - Using Quiltster: If you precut your fabric strips using the Quiltster App, sub-cut the **8"** strip into **(2)** 2-1/2" strips and **(1)** 3" strip to achieve the number of strips listed in Step 1.

Step 1: Cut **(1)** 3" x 42" strip and **(2)** 2-1/2" strips from Fabric B5. Stack the strips **right-side up** into **(2)** stacks, by size.

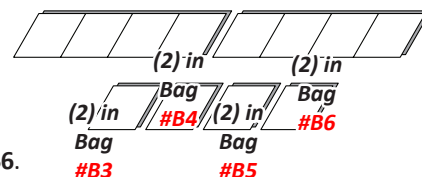

Step 2: Strip Temp S-1 is used to cut **(4)** pieces the size and shape of the Template. Stack these, clip together, and place these into Bag #B1.

Step 3: TLS #13 is used to cut **(2)** pieces the size and shape of the TLS. Stack the two pieces into **(1)** stack, then place the TLS on top and slice through the TLS on the Cut Lines to separate all the pieces.

Step 4: Clip these together into **(4)** stacks of **(2)**. Place **(1)** stack into each Bag #B3, #B4, #B5, and #B6.

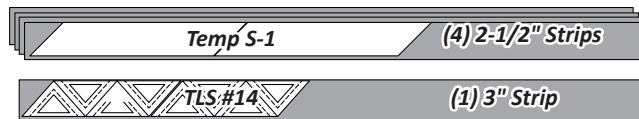

► Fabric B6 Cutting Information

Templates Used: Temp S-1 and TLS #14

Note - Using Quiltster: If you precut your fabric strips using the Quiltster App, sub-cut the **13"** strip into **(4)** 2-1/2" strips and **(1)** 3" strip to achieve the number of strips listed in Step 1.

Step 1: Cut **(4)** 2-1/2" strips and **(1)** 3" x 42" strip from Fabric B6. Stack the strips **right-side up** into **(2)** stacks, by size.

Step 2: Strip Temp S-1 is used to cut **(8)** pieces the size and shape of the Template. Stack these, clip these together into **(2)** stacks of **(4)**, and place these into Bag #B1.

Step 3: TLS #14 is used to cut **(2)** pieces the size and shape of the TLS. Stack the two pieces into **(1)** stack, then place the TLS on top and slice through the TLS on the Cut Lines to separate all the pieces.

Step 4: Clip these together into **(4)** stacks of **(2)**. Place **(1)** stack into each Bag #B3, #B4, #B5, and #B6.
