68" Border

GROUP C: MODERN CROWN 68" BORDER INSTRUCTIONS

Ziploc Storage Bags: You will need (5) large bags to complete the organization for these instructions. Label the large bags as follows to stay organized while cutting the Foundation Units and Templates. (*Color Group-A/B*)= *CG-A* and *CG-B*

- Bag #C1, CG-A: (1) ea. Foundation Sheets C1:a, to C8:a.
- Bag #C2, CG-B: (1) ea. Foundation Sheets C1:b, to C8:b.
- Bag #C3: (4) ea. Units C11 to C16.
- Bag #C4: (8) ea. Unit C9 & C10.
- Group C-001 Template Bag: (T-Temp C1 & C2) (TLS #1 to #7) (Sec Templates) and (Strip Piecing Templates)

PREPARING THE FOUNDATION PAPERS:

Foundation Papers: This booklet includes enough foundation papers to complete (1) 68" x 68" Border (noted as Group C) for the Conco Star Mixers. The foundation papers and templates for this pattern are printed on newsprint. Newsprint is lightweight and tears away from your stitches without damaging the threads. Please pull apart this package and check, at this time, to make sure your pattern includes all of the newsprint pages listed below.

Cut out (4) ea. *Unit C11* to *Unit C16* [NP 1045], (8) ea. *Unit C9* & *C10* [NP 1047] and (1) ea. A & B Foundation Sheets C1-C8. Place the foundation papers for each Unit in the assigned Bag #s listed above. Cut out (8) of ea. (TLS) #7, (2) ea. Temp S-1 to S-8 and (1) ea. of all remaining T-Templates, Templates and Template Layout Sheets. Place in Group C-001 Template Bag. The news print graphics have been provide to help you identify the Unit #s and Templates referenced in your cutting instructions. The cutting instructions not only provide you with the required cutting information needed to cut out your pieces, they also provide you with the information you need to keep your Fabric, Templates, and Foundation Units organized, and sorted into their associated Bag #s. *Refer back to Introduction Booklet for additional instructions on how to prepare your foundation papers and templates.

NOTE - Template Reuse: Templates and (TLS) are repositioned to achieve the number of cuts required on each strip in the Cutting Instructions. Please read carefully to ensure the correct # of pieces are stacked beneath each template before cutting.
