

## ► Fabric BL9

### Templates Used:

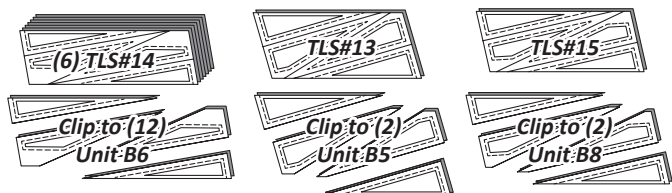

- TLS #13, #14 & #15 (You have (2) of TLS #13 and #14. Reserve (1) of each for the BS Fabrics.)

**Step 1:** Cut (1) 13-1/2" x 42" strip from Fabric BL9 and place it *right-side up*.

**Step 2:** Place TLS #13, #14, and #15 on the strip and cut (1) piece the size of TLS #13 and #15, and (6) the size of TLS #14.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

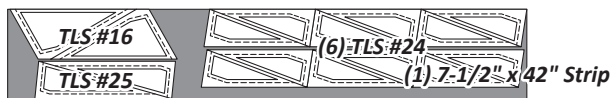

## ► Fabric BL10

### Templates Used:

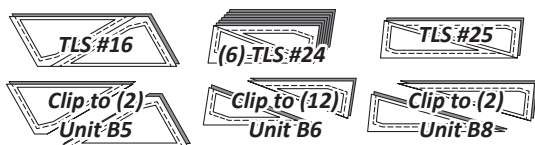

- TLS #16, #24 & #25 (You have (2) of TLS #16 and #24. Reserve (1) of each for the BS Fabrics.)

**Step 1:** Cut (1) 7-1/2" x 42" strip from Fabric BL10 and place it *right-side up*.

**Step 2:** Place TLS #16, #24, and #25 on the strip and cut (1) piece the size of TLS #16 and #25, and (6) the size of TLS #24.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

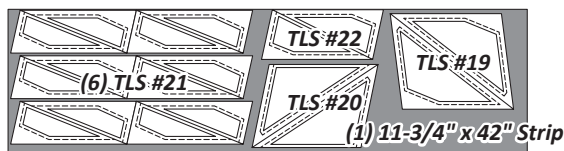

## ► Fabric BL11

### Templates Used:

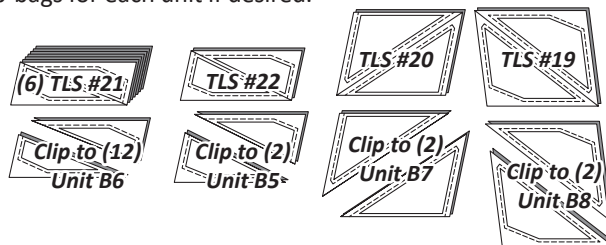

- TLS #19, #20, #21 & #22 (You have (2) of TLS #19, #20 and #21. Reserve (1) of each for the BS Fabrics.)

**Step 1:** Cut (1) 11-3/4" x 42" strip from Fabric BL11 and place it *right-side up*.

**Step 2:** Place TLS #19, #20, #21 and #22 on the strip and cut (1) piece the size of TLS #19, #20 and #22, and (6) the size of TLS #21.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

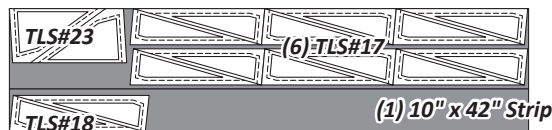

## ► Fabric BL12

### Templates Used:

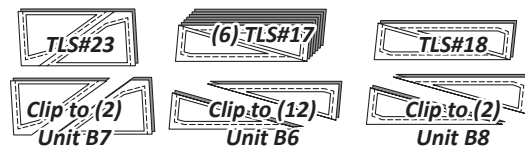

- TLS #17, #18, & #23 (You have (2) of TLS #17 and #23. Reserve (1) of each for the BS Fabrics.)

**Step 1:** Cut (1) 10" x 42" strip from Fabric BL12 and place it *right-side up*.

**Step 2:** Place TLS #17, #18, and #23 on the strip and cut (1) piece the size of TLS #18 and #23, and (6) the size of TLS #17.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

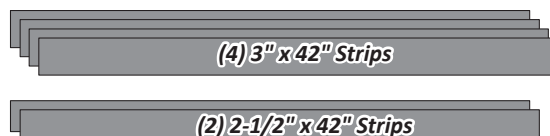

## ► Fabric BL13

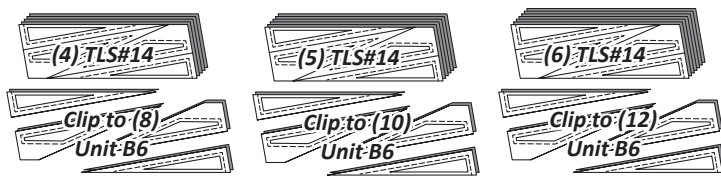

### Templates Used:

- Temp B-1 and Temp B11-2

**NOTE - Using Quiltster:** If you precut your fabric strips using the Quiltster App, sub-cut the 8-1/2" strips into (2) 3" strips and (1) 2-1/2" strip, each, to achieve the number of strips listed in Step 1.

**Step 1:** Cut (4) 3" x 42" strips and (2) 2-1/2" x 42" strips from Fabric BL13 and place them *right-side up*. Stack these in (1) stack of (4) 3" strips and (1) stack of (2) 2-1/2" strips.

## ► Fabric BS10

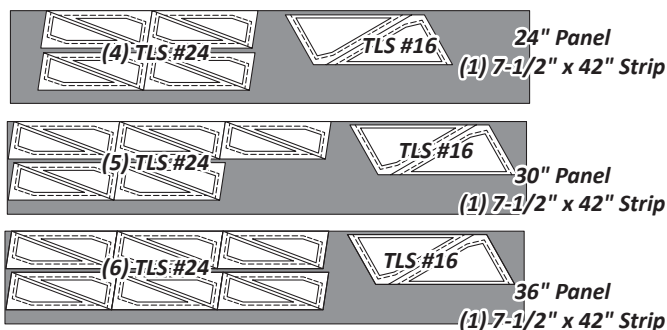

### Templates Used:

- TLS #16 & #24

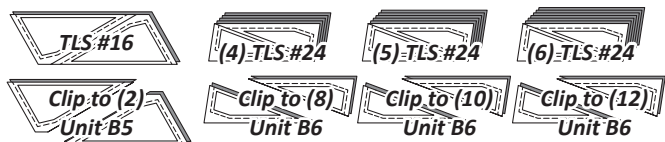

**Step 1:** Cut (1) 7-1/2" x 42" strip from *Fabric BS10* and place it *right-side up*.

**Step 2:** Place *TLS #16 and #24* on the strip and cut (1) piece the size of *TLS #16* and for *TLS #24*, cut according to the size of your panel:

- 24" Panel: (4) the size of *TLS #24*.
- 30" Panel: (5) the size of *TLS #24*.
- 36" Panel: (6) the size of *TLS #24*.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

## ► Fabric BS11

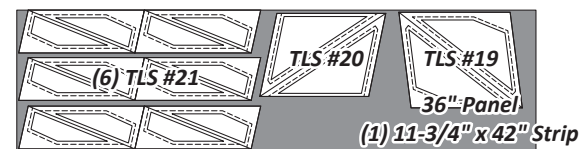

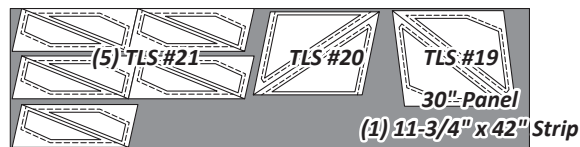

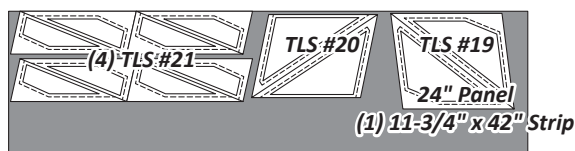

### Templates Used:

- TLS #19, #20 and #21

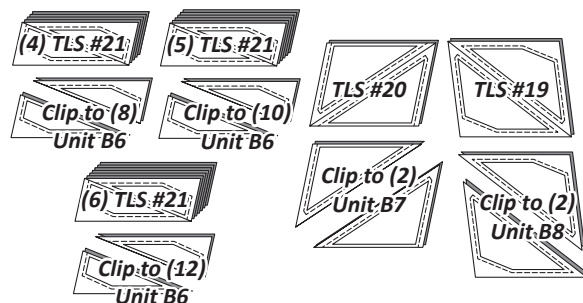

**Step 1:** Cut (1) 11-3/4" x 42" strip from *Fabric BS11* and place it *right-side up*.

**Step 2:** Place *TLS #19, #20 and #21* on the strip and cut (1) piece the size of *TLS #19 and #20* and for *TLS #21*, cut according to the size of your panel:

- 24" Panel: (4) the size of *TLS #21*.
- 30" Panel: (5) the size of *TLS #21*.
- 36" Panel: (6) the size of *TLS #21*.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.

## ► Fabric BS12

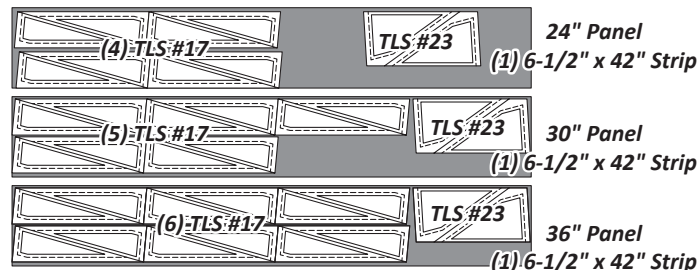

### Templates Used:

- TLS #17 & #23

**Step 1:** Cut (1) 6-1/2" x 42" strip from *Fabric BS12* and place it *right-side up*.

**Step 2:** Place *TLS #17 and #23* on the strip and cut (1) piece the size of *TLS #23* and for *TLS #17*, cut according to the size of your panel:

- 24" Panel: (4) the size of *TLS #17*.
- 30" Panel: (5) the size of *TLS #17*.
- 36" Panel: (6) the size of *TLS #17*.

**Step 3:** Stack the pieces cut with each TLS (if necessary), into one stack. Then, place the TLS on top. Cut apart the Template and fabrics beneath on the cut lines. Clip the stacks together. Clip them to the corresponding Units in Bag #B2. It might be helpful to have sub-bags for each unit if desired.
